## **Election Statement**

First of all let me say thanks for taking time to read my election address.

The very fact we are having an election for the PEC can only be good news for ACCORD.

Now, more than ever, ACCORD needs a strong and experienced blend of PEC members who are prepared to look after the interests of all the members.

I believe I can fulfil that role for you.

Every member of ACCORD has the right to have their voice heard at local and national level and every PEC member must respect this right and be prepared to listen to the members at branch and work-place level and be very aware of the issues currently affecting them.

The PEC must be prepared to make ACCORD's voice heard with LBG and we must be there to take a lead in protecting the terms and conditions which have been achieved over the years.

I consider it an honour to have represented you on the PEC for the last 8 years and I would like to have the honour of representing you for another 2 years.

Thank You
